Subject: RE: Media contact info

Thanks, James.

Actually, if it's a general inquiry from the public (a non-media person), the call or visit should be referred to Ben Washburn. Probably couldn't hurt for the staff at the trailer to have Ben's number, too: 913-551-7364.

I let our START contractor know that they are to call you if anyone one in the media, or a general inquiry from the public stops by the trailer and an OSC is not here.

The START contacts are: Dave Kinroth, Regional Manager, EPA Reg. 7 START Haz. Waste Specialist Seagull Environmental Technologies, Inc., Mobile: (314) 517-6798 and Emails: dkinroth@seagullenvirotech.com and Greg Blattner, cell phone 314-443-1365 / email gblattner@seagullenvirotech.com.
